Welcome to our first parish newsletter – a chance for us to share with you information about the life-saving work of Lincs & Notts Air Ambulance.
We would also love to let you know how your parish can get involved in supporting our crew.

## DID YOU KNOW?

The Lincs & Notts Air Ambulance brings the equivalent of a hospital emergency department directly to the scene of some of the most serious incidents in Lincolnshire and Nottinghamshire. We attend on average 4 potentially life-saving missions every single day, 365 days of the year. Last year, the helicopter and critical care cars responded to a record 1,620 incidents, from serious road traffic collisions to agricultural injuries and cardiac arrests.

**2023 is set to be even busier.**

## Three ways your parish could help:

### REQUEST A TALK

What is a HEMS paramedic? What equipment does our helicopter carry?

Our fundraising team would love to visit your parish and give you an informative talk about who we are and what we do.
