Subject: RCAN and NottsALC Survey - Town and Parish Council's - Have your Say! 🗣️

Dear Clerks and Councillors

[Rural Community Action Nottinghamshire](#) (RCAN) are working with Nottinghamshire Association of Local Councils (NALC) www.nottsalc.com to reach out to our Town and Parish Councils to ascertain what support and intervention you would find useful.

Responses welcomed from both Clerks and Councillors.

The results will be collated and analysed which will help to inform the next steps and for us to work together in attempt to build a more consistent service for Town and Parish Councils across Nottinghamshire .

Please follow this link to access the survey <https://www.surveymonkey.co.uk/r/RCANNALC> which will close at 5.00pm on **Monday 15th January 2024**.

Kindest regards

Jodi
