

HONOURING PCSO'S: 20 YEARS OF SERVICE

PCSO: Police Community Support Officer

PCSO's play a key role in keeping our communities safe and now we're turning to our communities to ask for your support

Since 1951 police officers have been eligible for a long service medal after dedicating 20 years of their lives to serving their communities and I feel that this recognition should also be given to the PCSO's who dedicate 20 years of their lives to supporting police officers and serving their communities

PCSO's take enormous pride in their work. We are proud to have an active role in keeping our communities safe through active patrol's, supporting police officers and engaging with residents in community events

WHY A MEDAL?

Medal's are a symbol of honour and recognition to those who have earned them. They are worn with extreme pride by their recipients

Medals have been used to represent recognition in the police force since 1909
