Dear colleagues

Nottinghamshire community and voluntary controlled schools – revised admission arrangements 2025-2026

Nottinghamshire County Council's arrangements for community and voluntary controlled schools were approved on 5 February 2024. Following determination, an objection to the Office of the Schools Adjudicator (OSA) was received in relation to Lambley Primary School. Subsequently, NCC, as the admission authority for community and voluntary controlled schools, has been required by the OSA in its determination of 10 July 2024 to revise its admission arrangements for Lambley Primary School. The catchment area for the school has been revised and remains the same as previously determined in the 2024-2025 admission arrangements. A copy of the catchment area for the school is attached for your information.

The full adjudication is available **here:**

The full revised admission arrangements for 2025-26 are available **here**

The appropriate bodies referred to in paragraph 1.47 of the School Admissions Code have been notified, but please share this widely with parents and other colleagues as appropriate.

If you have any questions about the adjudication and/or the council's response to it please feel free to contact me.

Kind regards
