**Thank you for your support**

**Since our Parish Newsletter issued last year, 12 parish councils have booked a talk or held a fundraiser, raising £3,500.**

**Join our 30th Birthday celebrations**

Did you know, our iconic yellow helicopter and two critical care cars have been called to over 29,500 missions since our crews responded to their first shout on 13th May 1994?

We would love you to help support our work in our anniversary year.

**Let us talk about our life-saving work**

We carry the most up to date life-saving equipment, enabling our dedicated doctor and critical care paramedic team to give advanced pain relief, carry out emergency medical procedures, such as open-heart surgery, and give blood transfusions at the scene. These interventions can make the difference in saving a patient's life.

When you invite us to talk at a council meeting, or to an organisation in your area we will explain why there is such a vital need for LNAA in Nottinghamshire.

## The Great Yarn Bomb Challenge

Over the last few months, hundreds of knitted and crocheted helicopters have landed on post boxes, in parks, on street furniture, in shops, businesses and churches across parishes in Nottinghamshire.

Could you to display the Yarn Bomb Poster on your noticeboard inviting people to keep an eye out for one in your neighbourhood?

**Make time for a cuppa this summer**

Would you host a coffee morning to help raise vital funds to keep our life-saving service operational 24 hours-a-day, seven-days-a-week? Order a fundraising pack and make time for a cuppa this summer.

[Request your pack](#)

We look forward to hearing from you,

Best wishes,
