

TRIO

HARBY, THORNEY & WIGSLEY NEWSLETTER

Ann Williams

Sadly, after a short illness, Ann Williams passed away on 7th July 2025 aged 81.

Ann was a popular character in Harby and surrounding villages who made a profound contribution to village life for over 30 years, invariably wearing one of her many hats. She was editor of the Harby & Wigsley Newsletter for 20 years and was instrumental in widening circulation to all three villages including Thorney as Trio.

Ann was Chair of Governors for Queen Eleanor Primary School for many years, bringing her professional experience as a teacher to proceedings and a regular contributor to school life as a former Secretary to the Friends of QEP, attending school plays, Harvest Festivals and concerts.

Ann Griffith was born in North Wales on St. David's Day 1944 and was very proud of her Welsh heritage, with a particular love of daffodils, abundant around her birthday each year. Conversation with Ann was always enlightening and she could eruditely discuss current affairs or any subject (except football) with great aplomb, but particularly tennis, as she enjoyed Wimbledon every year right up to her final days.

Her friendship, dry wit, sense of humour, laugh and wisdom will be greatly missed by many.

She is succeeded by sons Jason & Guy, grandchildren Tomas & Olivia and lifelong dear friend Sue.

Funeral arrangements to follow.

Forever Safe with Bransby Horses

Phantom was found abandoned on Bodmin Moor in need of urgent veterinary care. As an emaciated foal, he had limited chances of survival.

Never in our 56-year history has your support been more needed. A regular donation of just £3 a month will help us continue to rescue and support more horses, ponies, donkeys and mules, just like Phantom.

Follow his journey as a Regular Giver by visiting BransbyHorses.co.uk/Phantom

Harby Parish Council Update

Clerk

Summer is now in full swing and I do hope that you are making the most of this lovely hot weather. I know it doesn't suit everyone, especially on the very hot days and for those who suffer with hay fever, but it certainly helps to lift most people's spirits.

I am delighted to let you know that a new Parish Clerk has been appointed and I will be handing over to Yvonne Colverson over the next few months. She has recently moved to Eagle from Sheffield and is an experienced Clerk so I am certain that she will settle in quickly. Please make her welcome if you see her around the Parish.

Do you have any crutches or walking sticks etc which you have been given by a hospital in the past, which you now no longer need and are just cluttering up your home?? Newark and Kings Mill Hospitals are now taking these items, cleaning them and re-using them.

People can return any unwanted walking aids, irrespective of when or where they got them from, to any of three sites at the following locations:

- King's Mill Hospital – outside Clinic 10 and next to reception in the main entrance.
- Mansfield Community Hospital – Rehab Unit.
- Newark Hospital – Byron House.

I have been unable to find a location in Lincolnshire operating such a scheme.

Find out more about this scheme at: <https://www.sfh-tr.nhs.uk/about-us/latest-news/hospitals-environmentally-friendly-scheme-is-a-success/>

Railway Sign on the Sustrans Route

Those of you that walk or cycle along the route (Fledborough to Lincoln) will have noticed that for some time the sign has been deteriorating and earlier this year it collapsed completely. The Parish Council is aware of this and has been working hard to find a long-term solution. Watch this space, more news to come in the next edition.

Playing Fields

The car boots are up and running again and are being well attended on most occasions. If you could possibly offer an hour or two of your time to help with this, it would be greatly appreciated.

Soccer Tots is running regularly on a Friday and is well supported by little ones from the village and surrounding villages. Please note that the bar is also open on Friday evenings, should you fancy a drink or social gathering on a summer evening

Parish Website and emails

The Parish Council has much information published on the website HarbyParishCouncil.gov.uk. This helps us provide you with the information about Parish Council activities as well as other organisations within the Parish. Please take a look and remember that the website and Facebook Facebook.com/Harby-Parish-Council will contain other important information between TRIO publications. Of particular note is the diary section which will be updated regularly as new events are arranged.

The next Ordinary meeting of the Parish Council will be on the 28th August at 7:30pm in the Village Hall Committee Room. Please see the website or the notice board nearer the time for the full agenda.

Caron Ballantyne, Harby Parish Clerk

News from All Saints Harby with Swinethorpe

The recent warm weather encouraged us all to go outdoors and enjoy all that nature has to offer in our local area. At present, All Saints’ Churchyard, in its currently unmown state, is full of wildflowers, together with the associated insect and bird life. To help visitors appreciate the calm and beauty of nature a new bench, made from recycled materials, has been installed outside the church’s south side. It is already proving to be a popular spot to pause and reflect. Last September the ladies of the church organised a very successful fashion show which helped boost funds in an ever-challenging financial environment. On the first Sunday of last October All Saints celebrated Harvest Festival, followed by a substantial Harvest Tea in the village hall. This year’s Harvest Festival, accompanied of course with the Tea, will be held on 5th October, and will be an equally enjoyable event. Tickets for the Tea can be obtained in due course from Bridget Wells.

In May of this year teams of bellringers competed against each other at All Saints for the final of the Crawford Cup and it was a joy to hear the bells ringing once more. The cycle of worship continued last December with the annual Carol service, and the church was again packed out when pupils from Queen Eleanor Primary School presented their Nativity play. Morning Worship continues to take place every month, attended by a small but faithful congregation, and the support of both retired and other clergy in taking the Holy Communion service every three months is greatly appreciated.

As do all parishes within the benefice, we continue to hope and pray that the interregnum will come to an end with the appointment of a new vicar and also that a new Churchwarden will be appointed for All Saints. We wish everybody an enjoyable summer.

Michael Belcher.
PCC Secretary

DATES & NEWS from St Helen’s Church for PARISH OF THORNEY with WIGSLEY

St Helen’s Church is now open again every Sunday from 11am to 4pm & you are welcome to spend quiet time in thought. Phase 1 building works are complete & further work is planned from September for a further couple of months. **Casual visitors are advised to exercise caution when visiting church & are asked to be mindful of their own health & safety.** Whilst awaiting the appointment of a new minister, dates /times of services may also be subject to change. Regular church goers are advised to check your copy of the Grapevine or the East Trent Churches/Collingham website: easttrentchurches.org.uk & follow the links for up-to-date news about local services. All the following events are in church or the Play Park, weather permitting.

Sunday 17th August – **Morning Worship at 10.30am** - lay led. Refreshments after

Wednesday 20th August – **Books & Banter 11-12 noon** + Mobile library Van from 11.15-11.45am

Sunday 31st August – **Morning Worship at 10.30am** - lay led. Refreshments after

Saturday 13th September – **Ride and Stride.** Church open for refreshments from 10am-4pm to riders & striders

Wednesday 17th September – **Books & Banter 11-12 noon** + Mobile library Van from 11.15-11.45am

Sunday 21st September – **Morning Worship at 10.30am** - lay led. Refreshments after

Friday 26th September – **Macmillan Coffee & Cake Afternoon 2.30-4pm**

Sunday 5th October – **Holy Communion - 10am.** Refreshments afterwards

– **Community Harvest Festival Celebration 3pm**

Sunday 12th October – **WH&T Going Green Autumn Community Clear Up** - 10am to 12 noon

Sunday 19th October – **Morning Worship at 10.30am** - lay led. Refreshments after

MORE NEWS FROM THORNEY

AN UPDATE FROM ST HELENS & THE COMMUNITY HUB

We were hoping to sell some of the old church pews as they were removed but sadly discovered they all had a fair amount of woodworm. We then linked up with the Men in Sheds at Collingham who kindly have agreed to make some small wooden artefacts eg. crosses, small bowls etc which we could sell as a small memento from St Helens. The Shed were also asked by The Children’s Society if they could make some small boxes to hold a small tea light & these could be gifted to parents who had lost a baby-a touching but very appropriate use for our old historic pews. With phase 1 of the project now complete we are grateful to our volunteer church cleaners who have worked hard to get the building looking spic & span again. We must acknowledge thanks to Shannon, the manager of Saxilby Co-op who very kindly donated over £30 of cleaning materials which was very much appreciated by our volunteer cleaners. By the time you read this we shall have had our Celebration Re-Order event on July 20th. Area Dean Sarah Patten led a short service of thankfulness for the successful completion of the phase 1 building works & the sympathetic restoration to their original condition of three of our stained glass windows by master craftsman Jim Budd. The windows can be viewed, two on the right & one on the left as you enter St Helens Church.

THE BOOK STOP BUS STOP

A big thank you to Lucina assisted by Dawn & Zoe who have set up a small book swop in our bus shelter on Main Street. It started with a small number of adult books but now has grown into two large boxes, one for adults & one for children/young people. From the outset it has become a regular port of call for many in the village who sometimes just like a sit down in the bus shelter for a browse, particularly if the weather is inclement! It’s an optional donation to take a book away & every little helps to support the development of our Community Hub facility in St Helen’s Church. Donations of books in “tip top condition” are welcome but please only bring say a maximum of 3 or 4 books at a time. The donated books will be rotated regularly to make sure there is always something new & interesting to read.

£200.77 from the event which was a terrific effort. Thank you to everyone who came to the sale, donated plants or helped out in any way.

**SUITCASE TABLE TOP SALE
HELD ON SUNDAY JUNE 29th**

This coincided with one of the hottest days of the year but we were fortunate to be able to set up in the shade at the far end of our Play Park. To be honest the footfall was a bit disappointing from Thorney but it was great to welcome visitors from Harby, Marton, Saxilby, Collingham, Glentworth & Torksey. There were plenty of bargains to be had & people who had brought a suitcase full of items to sell were able to make a reasonable profit for themselves. With sale of pitches (at £3 each), refreshments, ice cream & the proceeds from our fun Bottle or Book Tombola we raised £153.25 which added to the profit from the Summer 100 Club Draw made a grand total of £403.25 from the afternoon which was great.

SAD NEWS ... SPONSORED STATIC BIKEATHON ON SEPT 28th IS CANCELLED

This is unfortunate & was due to organisational complications but it is hoped we may be able to do something like this in 2026. In the meantime, we are hoping to put on a simpler fundraising event, perhaps involving a sponsored challenge that would suit adults & children of all ages, possibly with a bit of a celebration party for villagers afterwards. Your Community Events Planning Group will be meeting shortly to finalise details & by the time you get this newsletter you should have received more details plus an invitation to take part. If you need more information just contact Clare: 07957-997-334 (WhatsApp/Text) or email: cwelfare@polkerris.plus.com

THE THORNEY TWITCHERS

We have met a couple more times recently & this included an early evening walk up West Rd & Main St stopping at gardens of fellow enthusiasts for 10 minutes to note down all birds spotted or heard- Terry your expertise was invaluable. Dawn & Debbie are going to keep a record of our sightings & we hope to repeat this activity at least every three months in line with the seasons & this will include taking part in the Great British birdwatch in January 2026. We hope to build a picture of our regular bird visitors & how this may differ throughout our village. We would like to become more knowledgeable about creating the best habitats we can, to ensure the birds will continue to thrive. A small group of us met up to consider how the group would like to develop in future & it was felt best to focus on birds seen locally in the village & our gardens in particular. If you live in Thorney & would

**PLANT SWOP SALE ...
A GREAT SUCCESS!**

Due to some torrential downpours forecast for afternoon, we relocated to the pavement outside a bungalow on Main St where we could have shelter in the double garage when needed. Needless to say, the plants quite liked the rain & a big thank you to Sandra Walker who never left her spot at the plant tables, despite the rain where she was happy to share her advice & expertise. Similarly, thank you to Anna D & Anne M who ensured everyone was able to enjoy a hot cuppa & biscuits throughout the afternoon! After the event we left surplus plants on the table outside the house and passersby were encouraged to help themselves in exchange for a small donation. All told we raised

be interested in being kept up to date with our plans please contact Terry on team.massey@btinternet.com or 01522-703120.

THORNEY COMMUNITY EVENTS GROUP & VOLUNTEERING IN THE VILLAGE

You may not know that we have an informal group of people in Thorney who meet up occasionally for a maximum of an hour in an evening about every couple of months to discuss plans for community activities & fundraising events to get our Community Hub up & running. At the moment it is a few of us giving up a lot of time & whilst we do this because we enjoy the fun, friendship & camaraderie it brings, we could do with some more people joining us to give their support too. Everyone is busy & a lack of volunteers is a national problem for many organisations. Everyone wants the benefits but many can't or choose not to commit some time to help build stronger communities where we can all feel the benefits. Being a "mover & a shaker" in a village community, whether that is as a small part of a bigger whole or as a larger contributor/organiser it is incredibly rewarding & the more people who take part the less demands are put on just the willing few. As an example, we have recently advertised in Thorney for two new parish councillors- no definite responses. We have asked for some support for funding to help cover costs that the Community Hub needs whilst using the church premises in future- just one person replied. Finally, we asked for a volunteer to shadow our existing Church treasurer with a view to taking over this role next year- no response. There are so many ways that help is needed, sometimes just for a one-off task or maybe helping with preparations for, during or after an event. We appreciate most people don't want to feel tied down with a regular commitment. If you are able to spare even a small amount of time to help, please get in touch with either Anna D (Parish Clerk) on 01522-702748 or Clare W (re: Community Events Group- 07957-997-334) or Zoe R (re: Treasurer: zoeraygen@gmail.com). The rewards of helping out in our village are numerous & you often find the more you can contribute, the more you get back from your involvement, so please contact one of us if you'd like to find out more. Thank you in advance.

*All profits from the community events will go to the Community Hub &/or St Helen's Fabric Fund.
Thorney Residents watch out for flyers for more information about events. Check out our Facebook Group by searching for: **Thorney Village at Thorney Notts.***

Vehicles parked on the playing field at the owners risk. Attendance at the event is at the owners risk and the organisers accept no responsibility for loss, injury or damage however caused. Dogs welcome but must be kept on a lead at all times.

Beaumont House Hospice Care

Beaumont House Hospice Care is a registered charity dedicated to providing personalised, compassionate palliative care to patients and their families across Newark and Sherwood. Our support is available to anyone over 18 living with a life-limiting condition in the area.

We offer a range of services to meet individual needs, including four In-patient beds, Day Therapy, Hospice at Home, and Complementary Therapy for both patients and carers. Our team is available 24 hours a day, 7 days a week to offer a listening ear, information, and guidance, helping to connect people to the right services and support groups locally.

We are committed to providing inclusive, holistic care that respects every person's dignity, independence, and background. Beaumont House is registered with the Care Quality Commission (CQC).

Providing care and support to patients and their families this year, is expected to cost Beaumont House a total of £2.8million. Statutory funding contributes around 21% towards this, leaving £2.2million which will need to be raised through donations, our shops, and support from local businesses throughout Newark and Sherwood.

This year, Beaumont House will receive £555,000 towards the cost of delivering our In-patient, Day Therapy and Wellbeing Service and Hospice at Home commissioned through the End of Life Together Alliance (funded from the Integrated Care System), which contributes to our overall operating costs.

We are extremely grateful to all who support us, whether through donating, fundraising, or volunteering. Your kindness makes our work possible.

To find out more about how your local hospice can support you, please feel free to call us on 01636 610556 or visit our website www.beaumonthouse.co.uk

Harby Playing Fields Report

Dog Show Delight – June saw the return of the Harby Dog Show, and what a fantastic day it was. A huge thank you goes to all the committee and to Kim and her team for organising such a successful event. With almost £1000 raised, we're thrilled by the turnout and hope that everyone—two-legged and four—had a great time.

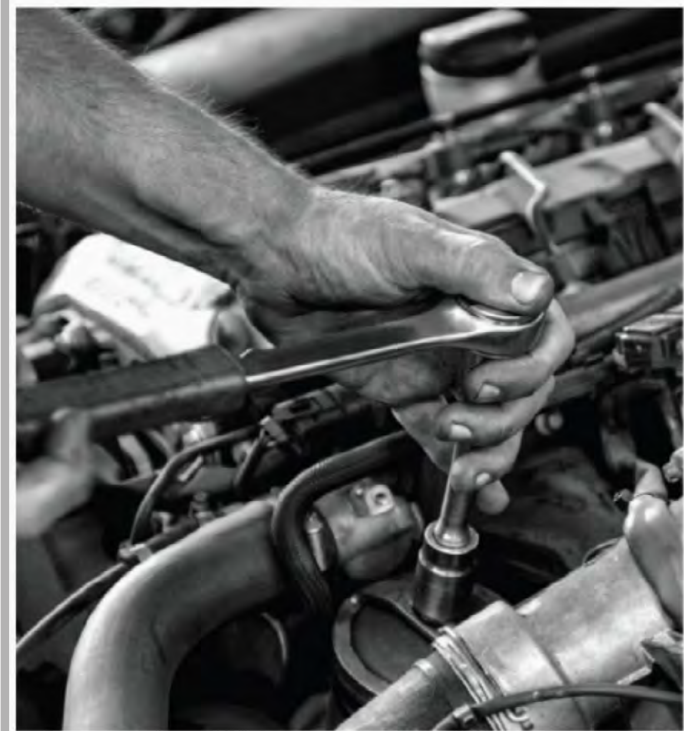

Car Boots & Soccer Tots Still Thriving – Our regular car boot sales and Soccer Tots sessions continue to bring people together and remain a popular fixture in our calendar. Sincere thanks to everyone who's pitched in with their time, energy, and good humour to keep these events running smoothly. **Look out for details of our next event!!**

Can You Spare a Little Time? – If you use Harby Playing Fields to walk your dog, relax, or meet friends, please consider giving just a few hours a year to support our car boots or other local events. It's easy to assume someone else will step in—but this is a facility for the whole community, and it's kept going by a small committee of volunteers who'd love an extra pair of hands.

Let's keep Harby Playing Fields a thriving, welcoming space for everyone. Your time, even a little, can make a big difference.

WIGSLEY, HARBY & THORNEY GOING GREEN

By the time you read this we have already experienced some incredibly hot spells of weather. Many of our green spaces are no longer green & keen gardeners will be struggling to save their plants & produce from lack of rainfall. The grass is tinder dry & the risk of fire is high -even the reflection off a small piece of broken glass can be enough to set a hedgerow alight. Fire is scary & how it can take hold in a matter of seconds means we must all be on our guard. Then there is the issue of the need to be economical with your use of water. Yorkshire have already put a hosepipe ban in place & we may not be so far behind them, so here are a few water saving tips that may help you:

- put a plastic bottle in your toilet tank to reduce amount of water it needs to refill.
- don't leave the tap running whilst you are brushing your teeth or shaving.
- recycle water from your bath or washing up bowl for watering indoor/& outdoor plants.
- when replenishing a pet's water bowl, recycle that water for your plants or water butt.
- take a shower not a bath & reduce the time you spend in the shower.
- check your taps & toilets for leaks & get them fixed as soon as you can.
- don't use your toilet as a waste bin ie. flushing it frequently to get rid of old tissues etc.

Access to fresh clean water is something we have come to expect but we must use it with caution, especially when the country is suffering more frequently from drought conditions.

A LOCAL WALK WITH A HERBALIST held on June 24th

Starting at 6.30pm from Harby Village Hall car park, 14 members of WH&T Going Green spent a lovely evening on a walk, guided by Hannah Sylvester, AKA The District Herbalist. Straight away Hannah told us of the bruise reducing effect of daisies which were growing on the verge before we had even left the car park. They share some of the same chemicals as arnica, which has recently gone up in price. The walk continued steadily for the next two hours with a walk up the footpath behind Blacksmith Cottage, across the playing field & back to the village hall. On the way Hannah pointed out herbs & plants that we could use as remedies or even in cooking. Nettle soup or pesto anybody? Hannah had brought with her some herbs that she had already prepared in oils or dried. We got the opportunity to try some. Some tasted a lot better than others! Finally, when we arrived back at the village hall,

we had a herb tea to relax us all for the evening. We now all eagerly await the fact sheets from Hannah, in which she will give us a run down of all the herbs we learnt about on the walk & how we

can safely use them. If you couldn't join us it is worth going on Hannah's website: info@thedistrictherbalist.co.uk for more information as she runs regular walks & events in both Nottinghamshire & Lincolnshire as well as offering private consultations for people interested in trying a herbal remedy to improve their health & wellbeing.

UPCOMING EVENTS FOR YOUR DIARY INCLUDE: Tuesday September 9th - HEATING & KEEPING WARM

An informal ECO chat session starting at 7.30pm in Harby Village Hall lounge. More details nearer the time.

AUTUMN COMMUNITY CLEAR UP EVENT

To be held in all our villages will be from 10am to 12 noon on Sunday, October 12th. You might like to note this date on your calendar. We hope our friends from Wigsley will be able to join in this time & that some folk from Thorney & Harby will want to support this event too. Great news is that we have been successful in purchasing our own litter picking kit after a grant award of £500 from N&SDC. This means we can lend equipment out to residents or groups at any time if they want to go on a litter pick- contact Clare on 07957-997-334 to arrange the loan of our equipment

Harby History Group

– Louise Herrick 07415 137348 - email: harbyhistory@outlook.com

In May we had a fabulous night out at the Gainsborough Heritage Centre. The old building had previously been a telephone exchange and now hosts a museum of all things Gainsborough. The ground floor covers the industries there, particularly Marshalls and Roses. There was a 3D map of the Marshalls' buildings which took up a huge space in Gainsborough and we were talked through which bits now consisted of Marshalls Yard shopping centre and which part was Tesco. Our host, Gemma, also pointed out a lovely miniature replica of a Marshalls tractor on display that had been donated by her grandad. An ashtray in the same display case provided evidence that when there was left over metal the enterprising staff at Marshalls had a side hustle of making and selling these. There was agricultural machinery and a sweet wrapper making machine too. One of the most incredible items here was a tablecloth with signatures of Bomber Command members stitched onto it, including Guy Gibson's, Johnny Johnson's and Bomber Harris's. Upstairs was the 1940s display which was a High Street mock up, with shops, Post Office, and a house, including the outside toilet. This brought back a lot of memories for people and stories started to be shared. There was also a whole room dedicated to Vikings. The top floor of the building housed the archives collected over the years. There were framed photos throughout the building, particularly on the stairs and one of our number spotted a photo of his grandad outside his shop, as well as a photo of himself outside the building taken as a football team that he said was about 60 years ago. We then all met at the tearoom to partake in hot drinks and cake.

In June, 17 members and 2 dogs visited Hartsholme Country Park for a history tour. Our guide, Lisa, is one of the 4 park rangers there. She handed out laminated books for us to use during the tour. The books had maps and old photos which were really useful because it allowed us to see parts of the park that were no longer there or had changed over the years. Of particular interest were the photos and room plans of Hartsholme Hall built in 1862 by Lincoln industrialist Joseph Shuttleworth but demolished in 1951. We saw photos of the old greenhouses which grew exotic plants such as the pineapple and also cultivated a new species of apple called Ellison's Orange which was sold by Pennells from 1911. The back brick wall of the greenhouses still stand complete with hooks and now host beautiful murals painted in recent years. The grounds host exotic trees from Lebanon and the USA brought over to show a sign of wealth and status. We were shown where the ladies' walk and the tennis court once stood and statues, long since broken. What we know as Hartsholme Lake is actually a reservoir that served Lincoln until the typhoid outbreak in 1904. It still has to follow reservoir rules. The boathouse is still standing and features the Shuttleworth family crest. The Shuttleworths housed a punt here but it is now used by the local model boat club. There is an island in the middle of the lake which has no access. Herons nest here. We walked across the White Bridge which was opened in 2014 and stands on the same spot as the original footbridge from 1902. It was great to see that the park is still very well utilised with dog walkers, runners, cyclists, fishers and those just out for a casual evening walk. There were plenty of waterfowl to be seen, along with squirrels and we were also lucky enough to see a muntjac deer.

Coming up:- 24 September – Lawrence of Lincolnshire. The story behind Lawrence of Arabia by returning guest speaker Richard Pullen.

Meetings are on the last Wednesday of the month in the village hall lounge and unless specified start at 7:30pm. £2 entry. Everyone is welcome. Please phone or email me if you want more information or even just a bit of encouragement to attend. New members welcome on a regular or casual basis.

HARBY HISTORY GROUP CALENDAR FOR 2025

29 October – The Writing on the Walls. Historic Graffiti at Lincoln Cathedral. <i>Guest speaker Colin Shields.</i>	26 November – 1800s Murder Trial. <i>Relive a real-life trial that took place in Leicester to make out own decision of the outcome. Returning guest speaker Derrick Watson.</i>
